PRESS RELEASE 02/2008

Berlin, 9th June 2008

“Los Bandelinos” once again in top form at the “9. Berliner DKB-Team-Staffel”

Oppressive heat, dust, the sky and people everywhere!

Berlin’s annual team relay race organised by the DKB and held in the Tiergarten park is growing in size from year to year. The number of relays has increased by 598 compared to the previous year, meaning that 3,775 running teams were at the starting line. The hosts of the event had to organise a 3rd competition day due to this rush of participants.

The “Los Bandelinos” team matched their previous year's performance on the first day of competition and once again

delivered a remarkable time: 2 hours, 5 minutes and 27 seconds.

With this good result they came as 861th in the finish.

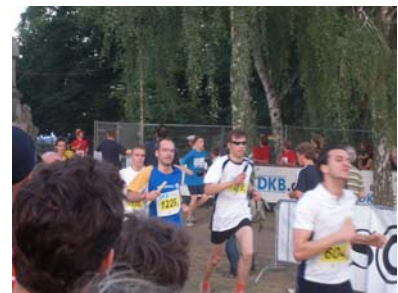

We congratulate all five runners for their super performance and wish them the best of luck in the next team relay races.

This year's “Los Bandelinos” (from left to right): Bernd Laschinsky, Maciej Szczesniak, Udo Kösters, Olaf Zachow and Dieter Kraft.

Highly motivated fan!

Olaf Zachow crossing the finishing line with a time of 2:05:27.
